BACK GROUND

Ofentse Ledwaba Holdings (Pty) LTD was registered on the 3rd of October 2016 as a multifaceted company with various projects but with a core focus on building, construction, civil engineering and consulting projects.

However due to the changing built environment and growing needs of clients; it is necessary to broaden services to Consulting, Construction, security, cleaning, supply, logistics, etc. all under one pillar of a holdings company.

We are also CIDD registered.

COMPANY

HOW WE WORK

01 Design

Our highly trained building consultants will offer you expert advice on the design of your new project.

02 Planning

Our architects will draw up the building plans and submit them to the local authority for approval.

03 Financing

We will provide you with accurate costs and arrange finance through a financial institution.

04 Project Management

Our contracts department is responsible for delivery, installation and quality control.

05 Sign Off

Our contracts manager will invite you to inspect the building. Your satisfaction is the last link in the chain of quality control.

ABOUT US

We pride ourselves in creating sustainable living spaces to partner your vision. From laying the foundation of your investment to planting delicately beautiful orchids in your garden, our approach to homebuilding is unique in that we are with you in every step of the process. With extreme attention to detail, we are focused to enhance your vision by delivering designs with quality that speaks for itself.

With focus on high quality and sustainable homebuilding, we pride ourselves on being expert master builders in residential construction. Our solid work ethic ensures that we easily navigate through unique challenges and our high standards of efficiency guarantees that your expectations are met.

From construction materials to energy efficient appliances, our reputation boasts eco-friendly design in each project that we proficiently complete.

- **INTEGRITY**
- **PARTNERSHIP**
- **COMMITMENT**
- **SERVICE EXCELLENCE**
- **EFFICIENCY**
- **RELIABILITY**

We strive to bring quality construction to the forefront and pride ourselves in placing our core values in all that we do.
